

This is "vacation time", not only for other folks, but for your editor. She, with the ladies' quartet from Bryan is travelling in Ohio just now. The reports from them telling of the Lord's blessing on their ministry in song and testimony are most gratifying. Of course, they have opportunities to tell others of their joyous experience in knowing and living for the Lord Jesus--we are happy for this and will continue to pray that He will use them for His own praise and glory.

So--we are "pinch-hitting" this month. So many letters have come in to tell of the goings and doings of Bryanites that we have been able to quote only small portions in order to include many from the mail bag. The items chosen seemed to be those of the most interest to all of you. We hope your capable editor can sit by the typewriter and mimeo machine for the next issue.

WEDDING BELLS

Alice Northrup, '45 and George Birch, ex '45 exchanged wedding vows in Waverly, New York in June. They stopped for a visit on Bryan Hill before proceeding to Richmond, Va., where George reported for further training. Best wishes and the Lord's blessing on them both. Recently we learned that Alice is employed as secretary to one of the Vice-Presidents in a Richmond bank.

And John Harper, '43 and Nellie Stover, '44 were married in Harrah, Washington. They had a "lovely wedding, spending about two weeks in Wapato. . .now staying at his base in Vallejo, Calif." John preached in Harrah during their honeymoon and

his case in Vallejo, Calif. John preached in Italian during their honeymoon and good reports have come concerning his message.

NEWS FROM STAFF MEMBERS FORMER AND PRESENT

Mr. and Mrs. H. W. Hill, Fayetteville, Pa.

"We enjoy the BRYANETTE so much . . . You'll be surprised to hear that Dorothy White Wilson ('40) is here with Irene (her small daughter) to give us a lift in the kitchen. . . would love to see all of you."

Julia Anna Yancey has been spending the summer at the University of Florida in Gainesville, pursuing academic work.

Unconfirmed, but congratulations--Prof. Arthur Lynip has been made principal at Baldwin High School, Baldwin, L.I., N.Y.

"Christ in the Scriptures" by the late professor of Bible, Harris H. Gregg, has been printed by the Good News Publishers. It is a blessed reminder of "What a wonderful Saviour!", so frequently hear in the Bible classes and during the chapel hour.

We gladly report a visit on the campus of Major Dwight W. Ryther, recently returned from Europe. He is spending some days visiting his relatives in Athens, Macon, Montgomery, and Buffalo and will be on Bryan Hill again for a week in August. How we would like to share our happiness in his fellowship and in viewing the interesting curios, and photos which he has brought back with him.

Born to Prof. and Mrs. Garner E. Hoyt
Ronald Elwyn, July 2, New Haven, Conn.
Best wishes to all three,

Pres. Rudd, Mosca, Colo.

"Sore muscles. . . stacked hay one day. . . we have been doing some visiting with Harry and Inez (Pres. Rudd's sister-Ed.). Mary Frances burned her hand on the stove last night. . . I think she'll be O.K. Other than this we are all well. Were it not for the sheep, we would stay nights with Harry and Inez. The trucker comes for the milk at 5:30 A.M. so I get up then and turn the sheep out to pasture. Life is different so this is a vacation. Love to each and everyone."

From the above you will know that Pres. and Mrs. Rudd and Mary Frances are in Colorado with Pres. Rudd's family. The immediate occasion for the trip was the serious illness of his father, Mr. G.V. Rudd, who underwent an operation on July 21st. Your intercession to the Lord for all of them will be greatly appreciated. GOD IS ABLE.

The BRYANETTE Alumni News Sheet
July 1945

Editor Rebecca Peck
Circulation Manager . . Mary Lois Fish
Sustained by voluntary contributions.
Issue No. 2

Jack and Peggy Shannon, ex '34, Phila.

"We actually feel so much at home here that it seems strange to think we have not always lived in this spot of the earth. It is God's will for us and we are perfectly content and satisfied. This last Sunday we visited a Baptist Church five miles north of us in "Fox-chase" section. We live in Olney. It was their missionary Sunday and in the evening they had Brother Phillips speak. Just before we left Chicago we heard Dr. Ironside give a message on that verse in Ephesians--"Exceeding abundantly"--and I shall never forget it."

Amy Cartright Robinson, ex '34, N.Y., N.Y. was in the South recently because of the death of her mother. Sympathy and prayers of us all to you, Amy, at this time.

Lula Houston Beebe, ex '38, Salisbury, N.C.

"Thanks so much for the 'Alumni News'. I enjoyed every word of it and I have kept it so that I might refer to it later on and refresh my memory. Give my best regards to all of the 'old ones' at Bryan that I know.

Ruth Dawson, '40, Charleston, West Va.

"The Lord has granted me a side-line ministry here which I never dreamed I would ever have--that of singing with a girl friend regularly on Mr. Jepson's weekly 'Fireside Hour'. I enjoy it very much. . There is a Tennessee license plate parked two blocks away, and it makes me homesick."

William L. Wonderly, '36, Mt. Lake Park, Maryland.

"Just now I am being asked to plan to go to the University of Michigan again this summer instead of teaching as I had planned--this also in connection with my graduate work in linguistics. Wish it were possible for us to plan to visit Bryan while we are this near, but I fear it will not be possible this time."

Durward Maynard, ex '41, Boone, N. C.

"Realizing that you are always interested in your former students, I want to say that I graduated 'magna cum laude' here at Appalachian State Teachers College. I might add, the only one so honored in a class of 54 seniors. Whatever honors I receive are indirectly a result of the foundation laid at your institution. At the present time I am working toward my M.A. Next year I will be teaching about 50 miles from Dayton. Recently I was elected to teach social studies at Gordon High, Chickamauga, Ga."

"How I wish I were able to give large gifts to help in the work. However, I want to send a little when possible and remember you continually in prayer. The four years which I spent at Bryan were times of joy. Perhaps I never will fully realize just how valuable those years at Bryan were to me . . . We are hoping to be ready to go to Africa this fall."

Lt. Leonard Winstead, '43, Monroe, Ia.

"There are a few of us going to Chanute Field, Illinois for a 15 weeks' course in 'weather'. We are to become weather observers and forecasters. After completion of the course we will go over seas and fly in special weather ships to get up-to-date weather reports. My attitude is that I should get all the training I can in any useful field. I'll be more useful with a dual rating, get overseas just as soon, and should have a greater opportunity for advancement. If I should go into missionary flying this course will be a big help."

Margaret Ann McKinnon, ex '43, Cleveland, Ohio

"That alumni sheet is a great idea. . . . My vacation (2 weeks) started 2 days after graduation. Yesterday Dad and I returned from a week in Toronto and Monday we go back to work. . . . If travel regulations permit, I hope to go to New York in the late fall, so will see Lynips. I will have finished my time by then and have written my State Board exams."

Lt. Jesse Humbert, '43, Pacific

"Four letters today from Bryan Hill. That certainly should run up the postage bill. Maybe I shouldn't get so excited when I see that familiar return address, but it actually gives me a thrill, and more so when I read what is inside too! I don't remember hearing about an alumni news sheet being planned but I am very much for it. Here are a couple of dollars to help it along. Keep it coming. . . . I saw John Harper's ship once but he wasn't aboard then. Maybe I'll get another chance. We are getting anxious to see Bryan before too many changes have taken place in it. It has been 3 years since we left and nearly 6 years since we first saw it."

Jean Neff, '44, Washington, D. C.

"Last Friday I received word from Mr. Curtice of the Children's Bible Mission that I have been accepted for work in the state of Virginia for the coming winter. I know those who have been praying for His direction for me into full-time work want to praise the Lord with me for this appointment. Greetings to all the summer family."

Calvin Miller, '44, West Lancaster, Pa.

"A few weeks ago my church licensed me to preach the Gospel and I am now a supply pastor. It would be possible for me to have a church but with going to school I am not capable of giving the time for the quality of service that a full-time charge should have, so will remain just supply for a while. Love to the rest of the Bryan family. I surely do miss them."

Dallas, Tex.

Joseph, '44 and Berty, ex '46 Sullivan,

"After returning from a trip to Pennsylvania and Mississippi we found the second issue of the BRYANETTE. It not only lifted our spirits. . .made us homesick for Bryan Hill, but made us realize our need for sending our contribution to help sustain this great work." (Your generous remittance will surely help pay the postage bill this month on BRYANETTE. Ed.)

"But thou, O Lord, art a shield for me; my glory, and the lifter up of mine head." Psalms 3:3

Peggy Lynch Coombs, ex '44, San Diego, Cal.

"Today I received the BRYANETTE and what a joy and blessing it was to my heart. . .in these dark and very trying days it's a heart-moving joy to read such stirring testimonies. . .The BRYANETTE was a splendid idea. Out in San Diego my husband and I are busy in Christian work among the children and young people. We have gone to the First Brethren Church out here since February 1944, and it was there we met Jesse Humbert. Last year we also had the pleasure of seeing Ruth Harn Bowles, ex '44, and her husband at the Brethren Church.

Lt. Robert S. McCormick, ex '44, Germany

"Just now I am a flying Control Officer on an airfield near Kassel . . . work very interesting and much to my liking. God has certainly been wonderful to me in His loving watch care and protection and as I look back over my past life in the army, wonder why God has been so gracious to me. . . The gov't has certainly made it easy for a soldier to get an education. In the next few years, colleges will have a golden opportunity to really do things. Above all, Christian colleges which teach and believe the Word of God in its entirety will be needed."

Clyde '44 and Frances Reed, ex '46 Brogan are vacationing in Ohio this month, visiting relatives. Clyde is pastor of the Corsicana Presbyterian Church near Dallas, Texas and continuing his studies.

NEWS BITS

Excellent reports come telling of the good job Nevada Gentry Coppinger, ex '36, is going as director at Camp Caledon, North Girard, Pennsylvania.

Among prospective students for September, 1945, is Lyle Hollopeter, ex '43, who wants to return and finish his college work. A hearty welcome awaits him.

Rev. Ralph Gibson, ex '42, Mrs. Gibson and little Ardith visited on the campus recently before going on to Chattanooga where he preached at the Alton Park Baptist Church at a Sunday evening service. Other campus visitors have included Zelpha Russell, ex '37; Helen Limburg Philpot, ex '36 and Barry; Miriam Levengood, ex '47, who has been attending Kings College in Delaware. Lt. Vinton A. Fish, ex '39, and Mrs. Fish visited also; Vinton has returned from the Pacific after completing 50 bombing missions as navigator on a B-24. He reports visits with Capt. Hugh Gallagher, ex '40 in Manila, and with Capt. S. D. Hodges, '36, at Hollandia, both of whom are still in the Pacific theater of operations.

Major Ryther reports brief visits with Milton Murphey, ex '44, Carl Zytowski, ex '44, and Chaplain Dean Geary, ex '42, while he was overseas.

It is good news to hear that Lester Hartschuh, ex '43, is in Akron, Ohio, visiting his wife and parents there. Lester has been on foreign soil with the Signal Corps for many, many months. Eileen Langford, '43, is enjoying a visit with her brother, Lester, and her folks there.

When you change your address, kindly notify the University office in Dayton. And if you aren't receiving NEWSSETTE, the official news organ of Bryan, drop a card and your name will be added to the mailing list. Else where you will see a list of Bryanites whose addresses are unknown. You can help to keep them informed about beloved Bryan and former classmates by furnishing their addresses. Will you help?

Philip Hirschy, ex '46, has been home after overseas duty and is all right except for his left leg where a piece of shrapnel is still lodged and is bothering him quite a bit. He is in Crile Hospital, Cleveland, Ohio. Prayer is requested for him.

Lewis, '38 and Sara, '39, Llewellyn report visits with Mrs. Louise Coutts, H. W. Hills, Mary McAllister, '36, Harold, '39 and Eileen Fuss, '40,

Report on Miss Rebecca Peck and Quartet

In addition to the pleasure of witnessing for the Lord, the ladies' quartet has had the joy of seeing the faces of Bryanites along the way. They were greeted in Cincinnati by Manford Cain's ('43) folks, Mary Louise and Marguerite Garber, daughters of Mrs. Louise Garber, and Rev. W. T. Reid, father of Edgerton H. Reid, '37. In Columbus they were guests in the home of Rosemary Bodle, one of our present students; and Dorothy Borrer, ex '46, arranged for the group to be at the Inter-Varsity Fellowship at Ohio State University. And what a reunion at Mansfield, Ohio--Mary Lou Massie, Bill and Ruthe Witsky, Dale and Lena Mead. George Cone's (ex '46) father was host to the singers at Ankenytown, Ohio, and Anna Kettenring, '45, and her folks greeted the group in New London. No news yet--but no doubt there were plenty of former students at the New London meeting. And at Akron,--Edgerton Reid, '37, Pege Hege, '44, Lester Hartschuh, ex '45, Eileen Langford, '43, Lowell and Lola Hoyt, ('42&cx'43). Lowell welcomed the group to his church in Akron. Donna Bechtel and Martha Brickel were in attendance at several meetings.

Applicants for 1962

Anna Kay Rosenau, born to Eugene, '44, and Ernestine, '44, Rosenau, July 2nd, Winter Garden, Florida.

David Lewis Llewellyn, Jr., born to Lewis, '38, and Sara, '39, Llewellyn, July 10th, Montclair, New Jersey.

News about the summer family

Jerry Teeter was called home recently because of the death of his only sister, little 10-year-old Anna.

When the Carnahans and our Syracuse friends visited in July, the summer group enjoyed an outing and picnic on Johnson's Bluff.

We are at the home plate--are you recommending Bryan to prospective students out in the field?

Florence Monck has been at Chauga Heights but recently went to Philadelphia because her older sister has been critically ill. Flossie writes of an enjoyable visit with John, ex '37, and Agnes, '36, deRosset and Diane in New Jersey.

The summer family has received and appreciated two boxes of candy from Delbert Baker. Thanks, Delbert.

And now what are we doing--here at home? Considerable work is being done in repairing the barn. The kitchen force, in addition to the preparation of three good meals everyday, is sweating over the hot stove, canning corn, tomatoes, and peaches. Prof. Ahlman and Miss Batson keep the summer school folks busy with reports and daily assignments and TESTS. The office and print shop continue their routine duties with NEWSETTE, prayer letters, writing to prospective students, teachers and donors, planning advertising and singers' itinerary. There has been time for bicycling, picnicking, volley ball in the evenings. Our devotions together at the evening meal is a high-light of the day's activities.

While in Chattanooga various members of the family have enjoyed conversations and visits with Anna Lee Drake, Helen Parden, Helen Lord, Mary B. Rogers, and Edith Welch, Ex '36.

Twenty-three of us chartered a bus and journeyed to Chattanooga to attend the July Youth for Christ Rally at Frawley Field. Our hearts were stirred as we witnessed the large gathering of approximately 2,000 young people there. The speaker, Dr. B. R. Lakin, formerly of the Cadle Tabernacle, gave a thrilling message on "Knowing Christ Better". Lt. Ralph Nite was on the platform at the Youth for Christ Rally and gave his testimony. Accompanying the Bryan Family on this trip were Mrs. A. J. Levengood, Mr. and Mrs. Paul Levengood, Miriam and Albert Levengood, Bessie Mae Weir, and Ruth Mansfield.

The last day of summer school is August 24th.

A commendable job was done on July 1945 Newsette, especially dedicated to Bryan men in service of our country. Notice the number--"86"--who are serving the colors. Pray for them.

"Now then we are ambassadors for Christ, as though God did beseech you by us; we pray you in Christ's stead, be ye reconciled to God."

II Cor. 5:20

Albert Wyllie, '44, New York

" . . came here to this cold cruel city of New York on June 31st. . . temperature stood about 99. Gwen went to Monterey, Mass., and I remained here in N.Y. but not for long for since that time I have also gone to Monterey. . . On the 26th of this month we meet the council and after that if we are accepted . . . off to Iowa for a month of meetings and much packing and buying. This afternoon I took my last physical examination and passed with flying colors. Mr. Tobert has been here at the mission home . . ."

Ernestine and Eugene Rosenau, '44, Winter Garden, Fla.

"Anna Kay has her Baddy's mouth-- we are exceedingly proud of her as all parents and grandparents are of their children. . . alumni news has been most interesting. . . as yet no news of our French visas. . . desire prayer."

Sympathy is extended to Janet Webb, '37 whose father went to be with the Lord in June. Having lived in Dayton while Janet was in school and also during the past school year. Mr. Webb was a frequent campus visitor and will be greatly missed by all.

Prayer requests

1. Health of Mr. G. V. Rudd
 2. All Bryan men in armed forces.
 3. Sister of Florence Monck
 4. Rosenaus and French visas
 5. Passage and funds for support of Agnes and John de Rosset
 6. Gospel Singers and Miss Peck
- James 5:16.

Pfc. Kenneth Kennard, ex '45, Charleston,

"The last day before I returned to the base, I went up to Jacksonville and we had a little Bryan reunion. Wimpy and I really had a wonderful day of fellowship together, and we went over to see the Graham girls and we succeeded in making Wimpy envious that he missed commencement. Thanks to everyone of the family for a wonderful time at school. I certainly pray for Bryan every day and I know that in your devotions you remember all of us fellows, and I thank the Lord for it."

George E. Cone, ex '46, Tinian Island

"It was with great pleasure that I received your alumni news sheet and I am now in a position where I would like to receive it every issue if it is possible even though I am not an alumnus of your school. Enclosed . . . to take care of any expense that may be necessary for the sending of this news sheet to my address. . . I am very much interested in the happenings of Bryan."

Gwen Hay, '45, Monterey, Mass.

"Bryan stands high in my regard... and I will not hesitate to recommend it to any Christian young person desirous of a higher education in a school which puts 'God above all'. We are praying for each of you. . . Al and I go before the Countcil the 26th--pray for us."

"That ye should earnestly contend for the faith which was once delivered unto the saints." Jude 3.

John Quimby, '45, Elyria, Ohio

"I've been asked to be a counsellor at Beulah Beach this week, so will see the quartet--will send them your regards..While hitchhiking down to Cincinnati last week, was stuck an hour in Norwalk--saw Paula Porter (ex '47) on her way to work. . .Christian regards to all."

Albert Moginot, ex '46, Dallas, Texas

"I thoroughly enjoyed my last visit with you folks at Bryan. The labor in the sunshine digging and filling in ditches was very good for me. The renewed fellowship at meal time, during work time and in those evenings fellowships was a blessing to me. I hope to be able to see you folks again, but until that time my fellowship will be with you in my prayers for you."

Earl Peck, ex '47, Great Lakes, Ill.

"I have attended many churches since I have been in service and wherever I meet young people who are potential students I do my bit of broadcasting for Bryan. (We appreciate that spirit--Earl--thanks. Ed.) Yours for a Quick Victory and back to civilian life."

"Only one life

'Twill soon be past;

Only what's done

For Christ will last."

Summer Wemp, ex '45, Jacksonville, Fla.

"Although I came home for a rest and vacation I have been very busy. Above all I praise the Lord for the opportunity I had a week ago to bring the message to the Youth for Christ rally here. There were 500 present with at least 100 service men and truly the Lord blessed. Besides this I have been preaching almost every Sunday and have spoken as high as five times in one week. This is surely not vacationing and resting, but it is a real blessing and privilege. Praise Him!"

Cleo Graham, '45, Jacksonville, Fla.

"I am praying for you who are working there--and for God's great blessings on His school. My brother has been home and Anita ('44) is working in a church in Jacksonville for several weeks; so we have gone to the Beach several times--and fishing out in Paul's boat on the river. . . at present I am working at a secretarial job days, sewing, washing and ironing nights, and getting vaccinations and shots to satisfy the hospital in between times."

Dorothy Upton Ziegler, ex '46,
Wellington, Ohio

"We still think of Bryan many times and wish we could see you all again. Anna is home and yesterday she stayed with me all day. I think that most of our time was spent talking about Bryan and the friends we love in the Lord there. Enclosed gift..use where most needed."
